Cleveland Clinic Sports Health: Our team keeps you in the game.

Cleveland Clinic Sports Health treats athletes of all ages and skill levels with the most advanced treatment options available.

The Sports Health team includes: sports medicine physicians and surgeons, physical therapists, athletic trainers, nutritionists, radiologists, advanced practice providers, exercise physiologists, strength coaches and chiropractors.

What We Treat

Our physicians and surgeons have extensive training in sports medicine injury diagnosis and treatment including:

- Overuse injuries and tendonitis
- Sprains (such as ACL ligament tears, elbow ligament tears, hip injuries)
- Concussion management: Baseline testing, evaluation and return to play
- Fractures
- Exercise induced illnesses such as asthma

Orthobiologic Therapies

We use the most advanced orthobiologic therapies, an emerging treatment option to repair, augment, restore or regenerate injured or diseased tissues.

Sports-Specific Rehabilitation and Performance Training

Our multi-disciplinary and nationally recognized rehabilitation specialists utilize sophisticated techniques and equipment to help restore function and maximize performance.

So if you have been sidelined with an injury, you have access to the same specialists who treat Cleveland's professional sports teams and from the #1 Orthopaedic program in Ohio and #3 ranked in the nation by *U.S. News & World Report*.
