- Great job to concessions committee and Comet Classic committee and all those who have volunteered. Thanks for your help.
- Requests:
  1. Girl's Softball Field – We are in for the materials \$5500-%6000, school needs to do the work. Their machine is broken, they may need to rent machine. Timing was discussed. Currently 4-5 inches would be scraped off and put on Orchard's field. Discussion about doing Orchard's field too if we can get a deal. Motion made and approved to provide material up to \$15,000 for both fields if the school installs it.
  2. Steve met with Joe Regano, inquiring about requests he has. He mentioned individual seats in the reserved section of the football stadium (middle section of the home stands). We will get prices.
