

# Solon Athletic Boosters

## May 9, 2016 Minutes

### **Athletic Director's Report: Mark McGuire (not present)**

- Middle School Outdoor scoreboard project - waiting on 3 quotes. Discussion about this should be either purchased by board or split as the scoreboards will continuously need to be replaced. SAB has purchased SHS gym, Softball. Additional ones that will need to be replaced are MS gym, SHS auxiliary gym, etc.

### **Secretary's Report: Anna Laubscher**

- March minutes approved.

### **Treasurer Report: Melanice Hicks**

- Cash around \$165,000 -with \$5000 bills to pay, \$17,500 scholarships to pay and requests from this meeting.

### **Budget Report: Pete Brown (no new information)**

### **President Report: Steve Slagle**

- Home football stands - seats - plastic chairs with backs (do not fold) would attach to the bleachers we already have. Approximately \$29 per chair (not installed - SHS maintenance to maybe install?) Want to meet with sales representative and see how it would look on our stands.
- Lifetime membership board- Judy and Nancy W presented idea to include multiple plaques that can be added each year (for around \$100/yr). There would be a plaque with Solon Athletic Boosters mission statement, "Athletic Boosters Lifetime Members", "SC", and a plaque for 2015 members. Waiting for final mock up and pricing - expect it to be around \$500. Suggestion made to add mock up to membership form to entice people to be lifetime members.

#### Requests:

1. Video cameras (revisit from last month) to be used in conjunction with HUDL - Motion made and approved to purchase 6 cameras for total of \$2400 (includes hard drives), to be signed out by Mark to coaches (like they currently sign out IPADs).
  2. Lauren Wilson - Varsity Girls Soccer coach requesting 2 rebound nets @ \$299 each, total with shipping \$650. Approved.
- Discussion about SAB paying for ONE meal when team's sponsor out of town guests or double headers. We have been doing this for year but not every team aware they

can ask for this. We will add it to procedures under the by-laws and put it on the parent representative sheet.
