### Requests:

1. Middle School coaches request printer and cartridge (\$85) - after further investigation, we were told this is a one-time purchase and they will pay for ink and paper. Approved.
2. Wrestling coach (in attendance) requested 45 quarterzip jackets (\$50), 10 of which are for HS/MS coaches and 35 screened sweatpants (\$20). Agreed that all will be numbered and returned at the end of the season. Discussion that they can also request coaches shirts separately that will not have to be returned. Approved.
3. Girls Tennis coach (in attendance) requested 24 warm ups, (\$54 + \$10 embroidery cost) and 24 tennis bags (\$35). Discussion on how even though we just bought them a nice customized tent, membership was extremely low and by the time the requested items came in, most of the season would be over. Motion made to buy the 24 warm-ups now and the bags but don't issue them until next year. Approved.
4. Girls and Boys Golf umbrellas - \$23/ea. with Solon Logo, may sell extras in team store. Boys golf membership is at 100%, girls golf is 50%. (Since the meeting, \$30 was approved via email).

5. Girls golf requested 6 sectional and district rounds \$300 (yearly expense). Approved.

6. 4 Parking barricades with personalized covers were requested by boosters - fence (\$88), cover (approx. \$220) - total up to \$1500 approved.

7. Grill and cover requested by concessions committee. Current grill is broken. \$399 + shipping. Approved.
