Athletic Director's Report: Mark McGuire - not in attendance - nothing new

Secretary's Report: Anna Laubscher

- See balance sheet
- Discussion about how balance sheet doesn't always show net profit due to exchanges made for payment with board or Superintendent on items (ex. Wrestling tournament - ice hockey payment - scoreboard payment)

Budget Report: Pete Brown

- Raised a lot of money so far this academic year but spent a lot. Budget off a little because we got a lot less football playoff games than in previous year.

- Thank you email from Scott Hattenburg for the MS Scoreboard. Thank you from the hockey team for paying for their locker room at The Pond.
- Middle school transition to high school parent meeting will be on 1/26. Need someone to help Nancy to represent Athletic Boosters
- Discussion about hockey tournament proceeds going to SAB - they shouldn't, never has been done in the past, \$ should go to Mark and the Athletic Department. To clarify hockey costs are split 3 ways - Board, Boosters, and remaining split between parents, not to exceed \$350 per player.
- Requests:
 1. Wrestling coaches shirts - 8 coaches @36.25 total of \$290 - approved.
