***Treasurer's Report** - Total assets as of July 31, \$86,527.11. A gain of \$22,744.04 from the previous month. Any TCF withdrawals were mainly driven by Spirit Store purchase, golf outing expenses and scholarships. Deposits were mainly from Golf outing, spirit store sales and a transfer from the PayPal account.

***President's Report** - Tailgate before the first football game on 8/20. It is a community style event. The spirit store will be open and have a presence inside and outside the stadium. The tailgate starts at 5pm. This will effect some of the booster reserve parking. The alumni baseball team held it's annual game during home days back in July.
