Solon will not be hosting any football playoffs, but they will be hosting district volleyball games 10/26 and 10/30.

Secretary's report: notes posted

Treasurer's report: total assets and total bank balance shown on the Solon Athletic Boosters financial summary sheet provided by Kevin Weaver.

Budget report: none

President's report: none

Requests:

Middle School- none

High School -JD Dunn (strength and conditioning coach) introduced a nutrition plan and presented three options to help our students perform better with healthy eating and fuel for their sports. He also stated he does nutrition and leadership talks one a week in addition to strength and conditioning with all the teams at SHS. He coordinated with school nutritionist Lynn Hutchinson at SHS. Questions were asked on how he would monitor the food and store the food. Perishables and fruit flies, trash etc. was discussed. The discussion was tabled to see if the café could give lunch leftovers i.e., bananas and chocolate milk to the weight room. Coach Dunn will also encourage parents to pack denser nutrient foods for working out via a final forms email.

Christopher Walker, market direct development associate athletic channel, for Gatorade attended the meeting and gave us pamphlets on muscle milk and protein shakes, whey bars etc. His company sells to area high schools. We suggested that Mr. Walker coordinate with Coach Dunn. Currently the strength and conditioning coach and weight room do not have a budget.

Committee Reports

Advertising/program -Sheryl Chaitoff reported that she is looking for an easy way to pay for "shout outs" via a Google form and she currently is accepting payment via Venmo.

Spotlight athlete - have been done for fall, will continue posting over the next few weeks: we are working on soccer spotlight athletes.
