

## 2-14-2022 Solon Athletic Boosters Meeting

A regular meeting of the Solon Athletic Boosters started at 6:40 PM led by Rob Farley

**Athletic director's report:** No report. Coach McQuaide is at the Boys Hockey District Playoffs

**Secretary's report:** January meeting minutes posted to website

**Treasurer's report:** We are doing very well. We have recovered from the pandemic. We are in an even better place now than before the pandemic. During the pandemic our assets were down to \$60,000. Now up to \$134,000. Scholarships will be coming up soon that will have a \$25,000 impact. Current financial summary may not include all profits through the end of January. Currently working on the transition to having Adam Zelwin as new treasurer.

**President's report:** I am very much looking forward to the next couple of years. There are a lot of things that I'd like to accomplish through the Booster Club, but first I need to acknowledge that none of it would be possible without all of the achievements and great things Nancy has done over the last 5 years. When we all take on rolls at organizations, we hope to leave the organization in a better place than we found them. Without question, Nancy is leaving the Solon Athletic Boosters in a better place than she found it. Because of the foundation that she has laid for this organization, we are set for an even brighter future. Thank you Nancy.
